Welcome February! The year is passing by so quickly, January is already gone but was a BLAST! We decided build our own STAR WARS Laser Tag course in our very own MKZ space. And by the pictures you can see how excited we were!

2021 had some good movies we couldn't pass on making some good weekly themes for February, here we are back at the movies so get your popcorn and candy and lets enjoy the show!

[No KidZone on February 21 for Presidents Day.]
